Garden Get-Together
Saturday May 14th at 9:00 am

The inaugural **"Garden Get-Together"** has been scheduled for **Saturday, May 14 from 9:00 am-10:00 am.** Patti and Jim Maness will host the event in their garden at **832 Tennis View Court**. The session will be a “meet and greet” and general discussion about people’s gardening interests.

There will be door prizes. The Garden Get-Together is open to **all** Bentley Village-Waterchase neighbors! **Please bring your folding chair!**

The Garden Get-Together Committee includes our neighbors: Mary Palomares (formerly of the Herb Society), Ann Williams (Master Gardener), Patti Maness (Master Gardener), and Ann Salyer-Caldwell (Interested Gardner)

This committee plans to host a "Garden Get-Together" in the spring and fall of each year to discuss gardening topics, such as:

- Challenge: The importance of pollinator plants in our gardens for bees and other insects
- Garden tours/field trips
- Plant swap in the fall to encourage the use of perennials

- Healthy soil
- Plant propagation
- Garden crafts
- and other topics of interest to our neighbors.

We are excited about the possibilities!

Last Week's Taco Tuesday Neighborhood Party

Thank you to everyone who came to the Neighborhood Party! The weather was perfect, the food was delicious, and because so many of our neighbors showed up, it was a lot of fun! FWPD Officer Mike Chavez was able to stop by and meet many of the neighbors. Chris & Karen Gearinger won the drawing for the tickets to Mayfest 2022 - 50th Anniversary!

We will be posting soon a few pictures on the "Members Only" page of BVWNA.org. If you're not a current member, please consider joining BVWNA. Your dues support the mowing of the neighborhood exterior along John T White, upkeep of the John T White median and two memorial signs, our newsletter and email listing, and fun events like the Taco Tuesday event held last week.

Neighborhood Yard/Garage Sales

The interest in neighborhood yard/garage sales has dwindled the last couple of years. At such, BVWNA is not coordinating a neighborhood-wide yard/garage sale. If you are planning a yard/garage sale, the City of Fort Worth does not require a permit for weekend residential garage sales. In addition to posting signs, you may want to consider posting notices on your favorite social media like Nextdoor.

Next Median Spruce-Up

Mark your calendar for July 9th to join your neighbors as we work to spruce up the median and the memorial signs. We will send another reminder before that time.

Dutch-Treat Dinners

BVWNA Board is working to find a place for the next neighborhood dutch-treat dinner. It has been difficult because many of the restaurants are not able to accommodate a large party due to limited resources. The BVWNA Dutch-Treat Dinners are popular and we are working to find a venue for the next dinner. Stay tuned and keep an eye on the website BVWNA.org.
