## **BVWNA Median Clean-Up Saturday, April 9th at 8:00 am at the BVWNA Median Sign**

The quarterly Median Clean-up is scheduled for tomorrow Saturday, April 9th at 8:00 am.

We will be trimming and weeding the median in time for the spring season. Bring your favorite gardening tool for trimming, cutting, digging, or sweeping. BVWNA will provide trash and yard bags, and will coordinate to have the trimmings and trash picked up by the city.

All residents are invited to volunteer with our neighbors to make quick work of sprucing up the median!

***Thank you for your support of the Bentley Village-Waterchase neighborhood!***
