Dear Neighbors,

The developer of the property at [8661 & 8689 John T White](#) will make an appeal at the next Fort Worth City Council meeting to overturn the Zoning Commission's denial of the zoning request and seek approval to proceed with the development of townhomes. The Fort Worth City Council Meeting will take place on **Tuesday, February 8th at 6:00pm**. ZC-21-131 can be found on page 7 of the [City Council agenda on the BVWNA website](#).

ACTION: As a resident of Bentley Village-Waterchase, you can submit your comments online to be provided to the City Council prior to the meeting. Click on the button below to submit your comments if you are **AGAINST** the zoning change **or** you are **FOR** the zoning change that will allow townhomes to be built on the property adjacent to our neighborhood. There is space for brief comments (300 characters).

At this link, you can also sign up to speak at the meeting. Whether you chose to speak or not, you can join your neighbors and attend the meeting at the City Council Chambers at City Hall, 200 Texas Street.

Please note this has become of interest to others outside of our immediate neighborhood, and some have changed their positions since the Zoning Commission's denial of the zoning change. **It is very important for our City Council to receive comments from Bentley Village-Waterchase residents**

on this matter -- whether you are a member of BVWNA or not.

If you have comments or questions, feel free to reach out to BVWNA at info@bvwna.org or call Ann Salyer-Caldwell at 817-475-0406.

Thank you for your support of our neighborhood!
