

BVWNA Board President, 2020 - 2021

Hi! I am Ann Salyer-Caldwell and I have lived in the neighborhood for 21 years. I

recently retired from a public health career and now enjoy volunteering for community agencies and the BVWNA as President. My husband, Chuck, and I have two sons who join us for dinner or golf occasionally. Otherwise, our dogs, Scarlett and Levi, get most of our attention. We are both retired from the US Navy and look forward to travelling again once a period is put on the pandemic. I do enjoy walking so I hope to see you around the neighborhood.
