

**Congratulations on your selection of  
Bentley Village addition for your new home!**

For your information, Bentley Village – Waterchase has an active voluntary homeowners' association and would love to have you (or your owner) as a member. The dues are only \$100 a year and the benefits are numerous. Ask a neighbor (or two) and they will be happy to tell you about the neighborhood and its association. Or check the website at <https://BVWNA.org>

Our records do not show an application with the Bentley Village Architectural Control Committee for your new home. We need a full set of blueprints with a site plan and a short note from you requesting approval for your project. As you know the restrictions are not very rigid, but we do like to keep up with things to prevent problems in the future.

Again, Welcome to Bentley Village!!!
